Battery acid neutralizing spray

SAFETY FIRST. NEUTRALIZED FAST

AcidRx™ – THE SMART WAY TO NEUTRALIZE BATTERY ACID

Introducing AcidRx™, the innovative color-changing acid neutralizing spray developed by Bulldog Battery. Designed for fast, visible results, AcidRx™ helps you protect your people, equipment, and workspace from the hazards of acid spills and residue.

When applied, AcidRx™ instantly reacts to acid contamination.

RED TO YELLOW, ACID NEUTRALIZED

This clear visual confirmation ensures you always know when it's safe no guesswork, no wasted product.

PROTECT YOUR TEAM & YOUR INVESTMENT

- ⚡ Prevent acid damage to floors, equipment, and battery trays.
- ⚡ Reduce the risk of injury from acid exposure.
- ⚡ Simplify OSHA and safety compliance.
- ⚡ Maintain a cleaner, more professional work environment.

With AcidRx™, you're not just neutralizing acid – you're protecting your investment.
